13th July 2009

Dear Parents

WELCOME TO KEY STAGE 3 – Parents' Information Evening
Thursday 10th September 2009 at 6.30pm
Felpham Community College – Main Hall

We hope you will be able to join us on Thursday, 10th September from 6.30 – 8.00pm to find out about teaching and learning in Key Stage 3 at Felpham Community College.

The evening is aimed at all parents of students in Years 7, 8 and 9. Please note this is an information evening for parents, students need not attend.

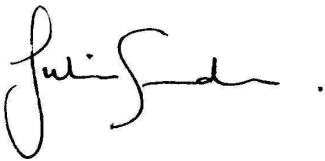

Do you sometimes want to help your child learn but feel you're missing something, that there ought to be a better way to work together if only you could find it? We are pleased to have Justin Collinge with us for part of the evening. Justin runs a company working with parents and schools across the Southeast and has been working with the College for several years, focusing on study skills, motivation and behaviour. During the evening he will spend time exploring some of the ways to understand and motivate your child more effectively and will include some of the material from his workshop 'Parenting Magic'.

Another exciting session for the evening will be the opportunity to experience how your child learns in a Maths classroom. Our Advanced Skills Teacher will lead you through engaging activities to begin a dialogue with your child and thus enable you to support their learning in Maths.

The evening will also include information on the learning opportunities in the Key Stage 3 Curriculum at the College.

We look forward to seeing you on the evening of 10th September.

Yours sincerely

Mrs Julie Grindel
Assistant Headteacher
