28th September 2010

Headteacher: Mark Anstiss

Dear Parent / Carer

**Thursday 7th October 2010 at 6.30pm
Felpham Community College**

We are providing an information evening for parents of Year 10 students on the above date. Our aim is to tell you about Key Stage 4 and how you can help your son / daughter reach full potential.

Parental involvement is an important part of helping students achieve their best, so if you can come along on 7th October to find out how we can work together to support your child you will be most welcome.

During the evening, we will be offering some practical ideas and advice to support and encourage your child in the next two years of school. Our objective is to make sure you know what happens in Year 10 and Year 11.

The evening will cover a number of topics including:

- The new Maths GCSE 2010
- A practical Maths session for parents for you to test your knowledge and boost your confidence in Maths
- Advice on Study Skills
- Effective planning
- Revision for examinations
- Demonstration of Moodle and SAM Learning Internet software.
- Target setting

This evening is aimed at adults, but students (and other children) are welcome if childcare is a problem on the evening.

We look forward to seeing you on 7th October.

Yours sincerely

**Mr B Phillips
Assistant Headteacher**

**Mr C Perry
Year 10 Leader**
