Dear Parent / Carer

Maximise Theatre Group visit – Monday 17th October 2011

We are pleased to welcome the Maximise theatre group on Monday 17th October to perform to all Year 11 students.

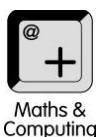

The performance they will be giving is their Exam Drama, a forty-five minute production that focuses on two Year 11 students about to sit their GCSE mock exams. It aims to encourage students to believe in themselves and to chase their dreams at the same time as reinforcing the importance of revision techniques and exam preparation. Students in 11F, 11E, 11L and 11P will watch the performance during P3; those in 11H, 11A, 11M and 11C will watch the performance during P2.

Every student will be given an exam survival guide after the performance; this contains useful tips on preparation for exams, time management, stress management, revision techniques and also contains a sample revision timetable and a blank one for students to use to plan their own revision.

Yours sincerely
