11th March 2011

Headteacher: Mark Anstiss

Dear Parents / Carers

I am writing to invite you to be involved in an initial working group to explore the exciting opportunity of introducing a Parent Teacher Association at Felpham Community College.

As a college we value the need to work together with our parents and carers to make a difference to our college. A PTA at FCC would bring parents, carers, teaching and associate staff together to support the students and increase opportunities for you to be more involved in college life. Activities vary from school to school but could include fund raising, social events for parents, students and staff, support with school trips and special events, running clubs and organising events to inform and support parents on educational issues.

The initial meeting will take place on 28th March at 6.00 pm in the Learning Resource Centre at FCC. I look forward to welcoming you to work alongside us.

Please return the slip below to confirm your attendance and return to reception for the attention of Mrs J Grindel, Assistant Headteacher.

Yours sincerely

Mrs J Grindel
Assistant Headteacher
