Dear Parent / Carer

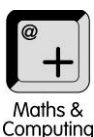

Wear It Pink Day – Friday 21st October 2011

We will be holding a non-uniform day on Friday 21st October 2011 to raise money for the Breast Cancer Campaign. Students will be asked to contribute £1.00 to this charity in return for not wearing uniform.

Last year this was very successful and most students wore something pink. We would encourage them join us in supporting this campaign once again.

Yours sincerely
