

RG/mal

31st October 2011

Headteacher: Mark Anstiss

Dear Parent / Carer

Year 10 Consultation Evening - Thursday 24th November 2011

On **Thursday 24th November 2011** there will be a **Consultation Evening** from **4.00 – 7.00pm** which parents, students and staff are invited to attend. The experience of students attending the interview alongside parents has proved valuable and we hope that all students will attend with their parents.

Can I stress this is the first opportunity to see how students have progressed so far this year with their GCSE/BTEC studies.

Staff will be located in the Hall, Library, Cafeteria and Sixth Form Common Room. Interviews with staff will be made by appointment at five-minute intervals and **students** will be asked to arrange appointments with the teachers in the week prior to Parents' Evening. Please check that your son/daughter has asked for appointments with the staff you wish to speak to and that the appointments are spaced to give you time to move from one teacher to the next.

If you have any queries about the evening please do not hesitate to contact myself or Mrs Aldous, Year 10 Manager at the college.

I look forward to seeing you at the Consultation Evening,

Yours sincerely

Miss R Greenland
