

Headteacher: Mark Anstiss

CP/KHu

4th January 2012

Dear Parent / Carer

### **Year 11 Consultation Evening - Thursday 19<sup>th</sup> January 2012**

On Thursday 19<sup>th</sup> January there will be a Consultation Evening from 4.00-7.00pm to which parents and students are invited. We hope that all students will attend with their parents as this is probably the most effective way of sharing feedback and advice, particularly concerning mock GCSE results.

#### **Appointments**

Teachers have appointments at five-minute intervals and all students have been told to arrange appointments with subject teachers in the weeks before Parents' Evening. Please check that your child has made appointments for you and that time has been allowed to move to the next teacher.

#### **Careers Advice**

There is also an opportunity to make an appointment with our Connexions Careers Advisor on this evening. If you feel this would be helpful please ask your child to book an appointment with Kate Clark by asking Mrs Woodman in our Careers Office in North Building.

If you have any queries about the evening please do not hesitate to contact Mrs Hurst, the Year 11 Manager, or myself at the college.

I look forward to seeing you at the evening.

Yours sincerely

Mr C Perry  
Year 11 Leader
