

JGR/GRo

22nd October 2009

Dear Parent / Carer

Your son/daughter has been with us at FCC for 8 weeks and as part of our commitment to establishing a strong partnership between parents and our college **we would like to invite you to an informal gathering on Tuesday 3rd November**. This event will take place in the Library to meet with other Year 7 parents and to also have the opportunity to discuss the transition process that you and your child have experienced. (This is an informal evening for parents and therefore students do not need to attend). I will be joined by Larissa Milne, Year 7 Leader, on the evening. In addition to this letter you may have received a personal invitation from your child as well.

Another important part of the evening will be to offer information on local and national services which offer families advice and support about your child's well being across all aspects of the every child matters outcomes. In attendance will be members from other agencies such as the FAB parent co-ordinator, Louise Barnes with strategies in spelling, and the school nurse.

Refreshments will be provided from 6.00pm and the evening will finish at 8.00pm.

If you are able to attend please complete the reply slip below to give us an indication of numbers, or alternatively please join us on the evening.

Yours sincerely

Mrs J Grindel
Assistant Headteacher

We will / will not* be attending the Y7 8 Weeks' In Evening on Tuesday 3rd November 2009
