

30<sup>th</sup> November 2009

Dear

**Re: *student name and reg***  
**Year 11 – Mock Exam Results’ Day – 17<sup>th</sup> December 2009.**

Last year we introduced a mock exam results’ day for Year 11 students. This was very successful, as it provided an extra motivation for the students and gave them an additional focus for the remainder of their Key Stage 4 courses. We would like to repeat this day again this year with the current Year 11 and would like to invite you to attend. The results’ day is planned to start at 8.30 in the main hall. Students will be registered first and will then be able to collect their results. Refreshments will be provided and we expect the event to close at approximately 9.30am.

Please be aware that the results the students receive are not only derived from the mock examinations; we also factor in current coursework grades according to exam board requirements. If coursework is incomplete or not at least at the student’s target grade, their overall result will be considerably lower in that subject. Improvements in coursework will lead to a greater chance of success in the summer.

On the mock results’ day your son/daughter will also receive a reminder of their username and password for MyMaths and SAM Learning, as well as information on how to access GCSE Bitesize and our Moodle site, all of which contain excellent online revision and extension activities. Evidence shows that students who use SAM Learning for 10 hours on each subject can achieve a grade higher. Please can you encourage your son/daughter to use these websites over the Christmas break if at all possible.

Following the results’ day we will post home all data on the current grade for students’ coursework to show where improvements still need to be made.

If you would like to attend the results’ day, please fill in the reply slip below and return to the college. Thank you.

Yours sincerely

Mr S Edwards  
**Assistant Headteacher**
