Dear

Y9 Options' Day – Student Name
date

You may be aware that very soon you and your child will be making some very important decisions regarding which exam courses to follow in Year 10 and 11.

In order to try and give students more choice when selecting which GCSE and exam courses to follow in Key Stage 4, we have changed the options procedure introducing a new 'pathway system'.

We would like to invite parents to attend a 10 minute appointment with their child's Form Tutor so that the new 'pathway system' could be explained thereby clarifying all the subject choices and other exam courses available to each individual student.

We feel that a one-to-one 10 minute session is more productive than a whole year talk and so, to accommodate this, we have allotted 10 minute slots to each student.

Yours sincerely
