

# Yr13 Parent Survey

January 2017

Felpham Community College

## **Year 13 Parents' questionnaire results January 2017**

Having been distributed at the consultation evening , just 24 questionnaires were completed this year.

100% of parents (75% strongly) agreed that their child feels safe at school, is well looked after and that they receive valuable information about their child's learning. 96% (63% strongly) agreed that the school is well led and managed, whilst 92% agreed that their child makes good progress and that they would recommend the school to another parent.

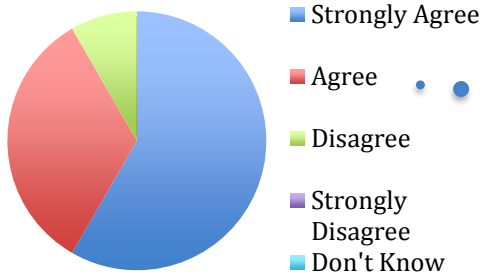

In light of identifying areas for improvement, 16% of parents disagreed that the school responds well to any concerns raised and 12% disagreed that the school deals well with bullying.

Including a comparison with last year, a full break down of the results for each question can be seen on the following pages with the percentage for each category noted on pie charts.
