Year 10 Parents' questionnaire results November 2017

Having been distributed at the consultation evening , just 18 questionnaires were completed this year.

72% of parents strongly agreed that their child feels safe at school (a further 22% agreed and 6% did not know); 100% of parents (with 78% strongly agreeing) agreed that their child was well looked after at this school and 100% thought that their child makes good progress; is taught well and receives appropriate homework for their age.

100% of parents felt that this school is well led and managed; that they receive valuable information from the school about their child's progress and that they would recommend this school to another parent

In light of identifying areas for improvement, 6% of parents disagreed that their child felt happy at school and 6% disagreed that the school responds well to any concerns raised.

One parent noted that an online booking system for appointments would be useful and this feedback will be considered by the Senior Leadership Team.

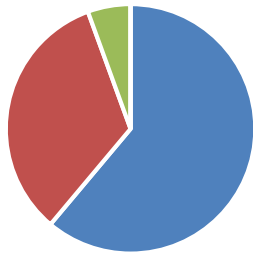

Over the past few years, we have included a box that allows parents to put their name so that we can follow up specific cases that may contribute to any negative feedback. The year office have thus contacted any concerned parents and been able to address any issues arising.

A full break down of the results for each question can be seen on the following pages with the percentage for each category noted on pie charts.
