Dear Parent / Carer and Student

Introducing Seneca

I am pleased to be able to advise you of a new Learning Platform the school are introducing for our Year 11 students this year called Seneca.

Seneca offers free online GCSE, A Level, KS3 and KS2 courses to 450,000 students. All of the courses are exam board specific and written by examiners and industry experts.

Seneca's research involved 1,120 students and was published in the peer reviewed academic journal 'Impact.' The study found that students using Seneca performed 105% better than peers studying using revision guides.

If you and your child would like to sign up to this resource, please follow the instructions below:

- Step 1:** Visit senecalearning.com and sign-up
- Step 2:** Select a student, teacher or parent account
- Step 3:** As a student, add your courses and join your teacher's class
- Step 4:** Start learning for free

For any questions regarding the platform, please visit their help centre at help.senecalearning.com.

We hope you find this a helpful addition to any revision tools you may already have in place and would welcome your feedback.

Yours sincerely

Mr Ben Phillips
Assistant Headteacher
