## 10. Art Students in local exhibition.

30 students from Felpham Community College have had their art work selected for a public exhibition at Pallant House Gallery in Chichester, click [here](#) to view their work.

The students are from Year 7-12 and their work is part of an exhibition entitled 'Model Gallery of the Future.' The students were tasked with making a small artwork on only a 10x10cm canvas. The best works will also be exhibited in a central part of the gallery called the Maquette, this is a model of the gallery and, in this space, the small canvases will be to scale in the exhibition space.

Five of our students had their work selected for the Maquette, they were:

- Dulcie Middleton 8E, Darcie Windsor 10E, Matvejus Fjodorovas 7H, Elliot Gettings 10E and Kurtis Allies 10M

A special 'Well done' to them, and to all the students whose work is on display.

The exhibition runs from the 8<sup>th</sup> to 24<sup>th</sup> April and is open to the public, please click [here](#) to view a flyer.

## 11. Medical Room reminders

I would like to remind students and parents/carers of the following:

**Hay fever:** Parents/carers will be expected to administer a dose of antihistamine to their child before school for the treatment of hay fever. The school will only administer antihistamine for symptoms of allergic reaction and not as a precautionary measure.

**Allergies:** It is the responsibility of the parent/carer to inform the school if your child suffers from allergies. All students requiring an auto-injector as treatment must carry their own with them at all times and a second must be given to school to remain in the medical room.

**Asthma:** Immediate access to reliever inhalers is vital. Therefore, if an inhaler is the prescribed treatment, two must be bought into school. One inhaler the student needs to carry with them at all times and the other must be given to the school welfare assistant, in the labelled prescription box, to be kept in the medical room.

**Sickness:** If your child has a sickness bug, they will need to remain off school until 48 hours after their last episode of sickness and/or diarrhoea to prevent spreading the illness. Students will be sent home if they arrive in school before this time limit.

Thank you for your cooperation with the above.

Mrs Stout, Welfare Assistant

## 12. Non-uniform day - last day of term

The last day of this half-term (Friday 8<sup>th</sup> April) will be a non-school uniform day for students and staff. Everyone is encouraged to donate £1, with proceeds being split between improving the outdoor facilities for students at FCC and The Sussex Snowdrop Trust (carried over from last half-term when the school was closed for the weather).

Parents / Carers can pay online via ParentPay from today and cash donations can be made on the day. Please note if you had already paid for the one last half-term, this has been carried forward.

Thank you to the Sixth Form Charity Committee and student council reps for their help collecting in the money, and thank you to parents/carers and students for their support with helping us fundraise for these two worthwhile causes.

Ms Kelly, Deputy Headteacher

## 14. Year 7 Girls' Football

Monday 21<sup>st</sup> March saw the Year 7 girls' football team travel to Cowplain in Hampshire to play in the penultimate round of fixtures in the Hampshire league, without coach Ruby. Up in this round of 7-a-side fixtures were two teams from Purbrook Park and a team from Cowplain, who were first up. Some fantastic football was being shown by the girls, moving the ball around the pitch to create chances and it wasn't long before Isabelle had played the ball through to Hollie who's shot rebounded off a defenders hand for a penalty. With some apprehension to begin with, the team decided on Juliet taking it. She calmly smashed the ball in the top corner giving Felpham a 1-0 lead.

At half time, Grace, Neve and Chloe joined the game and it wasn't long before Grace found Neve to make the game 2-0 with a neat finish. The same team started against Purbrook B and, from the offset Felpham, knew they were in for a good game. It was only for the heroics of Sophia in goal that stopped them from scoring early on, diving down at the strikers feet. Paris had moved into midfield and was making some strong tackles but again the game took a positive turn when the subs came on, with Juliet and Daisy working well at the back to pass through to Chloe who's shot was saved for Neve to follow in. The game finished 1-0 to Felpham and Purbrook A were next.

Felpham knew this was going to be the hardest game of the afternoon having watch them play their last fixture. This did not worry the girls at all and Isabelle, Paris and Juliet were quickly making strong tackles. Felpham game close a few times with shots from Grace, Hollie, Chloe and Neve but it was a strike from outside the area that beat Sophia in the corner to win the for Purbrook. Well done everyone, the final round of fixtures are next week in Warblington.

**Team:** Chloe McManus, Sophia Cummings, Paris Neville, Isabelle Whiffin, Grace Kill, Daisy-May Goodier, Juliet Driscoll, Holli Bennett and Neve Everson

Mr Whiffin, PE and Deputy Headteacher

## 15. West Sussex West Year 7 Boys' football tournament

16 Year 7 boys ventured to the depths of mid Sussex to participate in the annual tournament at Midhurst Rother. Despite the journey time, the boys did not disappoint, only losing one game out of their 11 matches. Unfortunately, the scores were not available as the organiser ran out of time, however this was a great warm-up for them before the boys enter the Sharpie Cup held at Chichester College in the coming month.

Well done to those who participated.

The PE Department

## 16. Year 8 Girls' Netball

The Year 8 Netball team played in the West Sussex West area netball tournament at St Phillip Howard this week. They played against some really tough competition, with mixed teams, and played outstandingly. Not only did the girls perform extremely well, they were a credit to Felpham with both their sportsmanship and representation of the school. They showed maturity and responsibility throughout the event and were rewarded with a well-deserved second place, having drawn one game against a very strong side.

An excellent achievement and many more to follow. Well done girls.

Miss Hudson, PE Department

## 17. Year 8 Boys' Rugby

The Year 8 Boys (pictured below) played in their final West Sussex West Rugby Tournament against seven other schools in the local area. In our first pool game we played against Chichester Free School and were convincing winners - 35-0, Gus Stonelake scoring a hat-trick. In our next game we faced St Phillip Howard to decide which school topped the pool. We scored two quick tries and our defence was relentless against some big ball carriers to win the game 10-0 and top the pool meaning we were in the final.

The final was played against an unbeaten Chichester High School. We started slowly and Chichester were able to score two tries in the first three minutes. Our heads did not drop and, through a series of strong ball carrying and aggressive work at the breakdown, Tommy Walker managed a way through the middle to dot down for our first try in the final. Some excellent covering tackles from Freddy Lamb and Jacob Muldowney meant that we were still in the game with the clock ticking down. With the game in the dying seconds, another strong counter-ruck from the forwards allowed Marcus Cotton-Butcher to whip the ball away from the ruck, through the hands of James Dawson, to Gus Stonelake who used his pace to score in the corner. A draw in the final, a fantastic team performance.

Special mention to Freddy Lamb and Blake Griffin for playing in their first games for the school and contributing fantastically to our resolute defence. Well done to all students who have trained and participated in the tournaments this year.

**Team:** Gus Stonelake 8F, Zak Stonelake 8E, Blake Griffin 8E, James Dawson 8L, Tommy Walker 8H, Ted Lang 8A, Marcus Cotton-Butcher 8A, Jacob Muldowney 8A, Zac Allies 8M, Cody Watson 8C, Drew Marriott 8G and Freddy Lamb 8G

Mr Davies, PE Department
