4. Fortnightly Family Maths Challenge

The last fortnight's challenge proved to be a very tricky one as we had lots of entries but no winner.

The answer is:

The co-ordinate that does not make an isosceles triangle with the 2 given points is (-6,-2).

As there was no winning family this time, there will be two prizes on offer for the correct answer to the challenge set in last week's bulletin. If we have more than two winning entries, the two winning families will be drawn from these.

Good luck!

Mrs Pullen, Maths Department.

5. School Choir

Congratulations to the choir for their excellent performance at the Big Sing last week! They sang brilliantly, performing to hundreds of local primary school students. Everyone's favourite was 'Flowers' - the whole arena joined the chorus and it was glorious! Not only did they sing well, but the choir members were superb ambassadors - joining in warm-ups, Mexican waves and encouraging primary school performances. Great job choir!

Raising the roof in English

The end of another fantastic term is here and whilst I am sure we are all looking forward to a break, we have a bumper round of praise for all of our **amazing** students.

With the daffodils in full bloom and the promise of a restful break, we shall leave you with this poem.

I Wandered Lonely as A Cloud (Daffodils) ***By William Wordsworth***

*I wandered lonely as a cloud
That floats on high o'er vales and hills,
When all at once I saw a crowd,
A host, of golden daffodils;
Beside the lake, beneath the trees,
Fluttering and dancing in the breeze.*

*Continuous as the stars that shine
And twinkle on the milky way,
They stretched in never-ending line
Along the margin of a bay:
Ten thousand saw I at a glance,
Tossing their heads in sprightly dance.*

*The waves beside them danced; but they
Out-did the sparkling waves in glee:
A poet could not but be gay,
In such a jocund company:
I gazed- and gazed- but little thought
What wealth the show to me had brought:*

*For oft, when on my couch I lie
In vacant or in pensive mood,
They flash upon that inward eye
Which is the bliss of solitude;
And then my heart with pleasure fills,
And dances with the daffodils.*
