## 2. Year Group Notices

### Urgent - Parents/Carers of students in Years 7-10 - locker audit

If you have not yet completed the form that was emailed out a couple of weeks ago, please do so as soon as possible; the form can be found [here](#).

All lockers will need to be emptied before the end of term, and keys handed in, so that we can clean them and re-allocate for the new year. We will try, where possible, to allocate your child a locker close to their form room, with priority being given to the new Year 7s.

One of the questions asks for the number stamped into the key, as per the photo below.

If your child/ren would like a locker from September but currently do not have one, please email [gwoodman@felpham.org.uk](mailto:gwoodman@felpham.org.uk), giving the name and current tutor group for each child that would like a locker. A £5 payment via ParentPay is required to secure a new locker.

### Year 12 Artists and Photographers

The last Art and Photography masterclass for this term will take place on Tuesday 18<sup>th</sup> July, from 3.00-4.30pm in D9.

Miss Watson, Art and Photography Teacher

Please [click here](#) to view the menu for next week. Our lunch menus run on a 3-week cycle, below is a link to our website which shows all 3 menus and the morning break menu, [click here](#).

## 4. Youth Action Week

Thank you to everyone for your support with the week, we could not have done it without you, it has been great! We hope students enjoyed the events.

- We have run 26 year-group activities including sports, gaming, films, board games, colour runs, arts and crafts, beach litter picks, science experiments and karaoke.
- We have held 14 tuck shops and had 70 students completing a sponsored swim and inflatable fun.
- We have seen 6 staff being thoroughly soaked with sponge a teacher!

The last fund-raising for this event is the non-school uniform day next Friday. We will then count all the money raised - watch this space!

## 5. Pre-loved uniform event

This is taking place on Tuesday 18<sup>th</sup> July from 7.45 to 9.15am in the school library. Parents/carers/families are welcome to attend or students can come themselves before registration. We ask for a cash donation for items taken which goes towards the laundry costs, thank you.

**6. Rounders**

Congratulations to Years 7,8,9 and 10 rounders teams who have stolen the show this year and finished first in all four-year groups league table. All years groups have had a convincing win against local rivals in the West Sussex leagues.

Special mention to Years 7,9 and 10 who played an entire season and remain unbeaten. This is a huge achievement for the students of FCC. Well done to all who played!  
Miss Hudson, PE Department

## 14. Department Information and shout-outs

### Design and Technology

#### Student shout outs

**Textiles:** Tymon K in 8R for his accurate hand sewing on his marine panel

**3D design:** The year 9 student who took part in the craft session for Youth Action Week on Wednesday afternoon

**Food Technology:** Poppy T 8F for being a top chef and mastering her use of the oven, she has moved from wary oven user to the 'go to' person in the room!

Also, to the rest of 8R and 9UV for helping prepare the food ready for Summer Arts Evening 😊

8X who excelled themselves making their lasagnes. Several students were super-speedy, even having time to complete their evaluations and help others with tidying up, such good team spirit.

#### Raising the roof in English

As we draw closer to the end of the year, the English department were thrilled to collate a culmination of the fantastic, creative work of our students this year for our annual booklet 'The Scribbler'. Well done to everyone who submitted a piece for this, and to the students who read some of the pieces aloud at the Summer Arts Evening yesterday! We are so proud of all you have achieved this year! Copies of the Scribbler were on-sale at the evening last night and can also be purchased from the English Department.

A 'shout-out' to Cassian in 10O, who reads the part of Scrooge amazingly!

Also, to Jess in 9A for her fantastic illustrations for the Scribbler.

## Science

### A 'shout-out' from Miss White

My Year 9 science class did amazingly this week building rollercoasters to calculate gravitational potential and kinetic energy. They were super-proud of them as was I - please see below:
