

# Student & Parent School Bulletin

Monday 13<sup>th</sup> November 2023 week 10B

## Message from Ms Pike, Headteacher:

Dear Parents and Carers,

The season of remembrance is upon us, and we have been reflecting on this in school through assemblies and activities in class – for instance, if you have visited us recently, you may have seen the beautiful display of hand-painted pebbles in our Reception area that students in Art have created. We consider this so important, especially at a time of such global turmoil, when peace seems so hard to attain. Over the coming weekend, students and staff will also be participating in remembrance services in Felpham and Bognor. Our student leaders will be laying wreaths and paying their respects, and we also look forward to seeing those students who will be participating as cadets or for local societies.

I would also like to say how proud I am of the Year 11 students who have managed their mock exams so very well over the last couple of weeks. Despite the rain, wind, floods, outages and necessary reorganisation of some exams, they have persevered, conducted themselves brilliantly, and given it their all. This will give them the very best chance of performing well in the real thing, so it was definitely worth it! They have finished off this week with their Interview Day, engaging in practice interviews with our colleagues from the world of work and industry. Thank you to everyone from our community who volunteered to support the students, and to our careers and exams teams who made it all happen.

Have a wonderful restful weekend – I hope that the sun shines for us!

#### Design a pathogen

After discussing what pathogens are, and what makes them 'successful' in causing disease, we will work together to design our very own. Having considered transmission style, microscopic characteristics and symptoms it will cause, we will then battle the pathogens against each other to find the ultimate super bug.

#### 7. School Ski trip 2025

Following on from the continued success of the school ski trips, we are now taking deposits for the trip planned for February half-term 2025. Non-skiers are more than welcome, with over 50% usually attending annually.

The total cost of this trip is **£1589.00, which is broken down into instalments over the year**. The price is great value for what the students are being offered, and they have an amazing experience each time. We have received many offers and quotes, and this is best price, with the best hotel and slopes on offer that we have used for many years.

The group of approx. 40-50 students travel to Austria for 6 days of skiing for 5 hours a day. The price includes travel, full board accommodation (3 meals a day), ski pass, ski equipment hire (Skis, poles, ski helmet and boot hire), full ski tuition, trip hoodie and evening activities. The accommodation has full en-suite facilities and has great in-house entertainment.

**If your child is interested in a place on this trip, or you have any questions regarding it, please email me at [Jross@felpham.org.uk](mailto:Jross@felpham.org.uk).** Please clearly state - your child's name, tutor group and skiing experience (beginner, 1 week, 2 weeks or more).

**12. Year 7 Girls football**

The Year 7 girls football team played their second match together in a County Cup and National Cup fixture against Blatchington Mill, Hove. In the first half, Blatchington Mill scored early on from an amazing goal just outside the area, there were some excellent saves from Sophie to keep us in the game. Felpham then equalised from a through ball to Sydney, who slotted it in the right-hand corner, out of reach of their goalkeeper. After a lapse in concentration shortly after, Felpham found themselves behind 2-1.

Going into the second half the girls created lots more goal scoring opportunities, although these were kept out by the Blatchington Mill goalkeeper. Chloe, Molly and Grayce made some very important challenges to try and keep Felpham in the game. Unfortunately, the pressure was too much, and we conceded two more goals shortly after each other.

A change in formation was made and the girls never gave up. Lots of shots from Mazie, Lilly and Sophie. Eventually Molly played a ball to Sophie in the middle, who ran through their back line to slot the ball behind the Blatchington Mill goalkeeper making the score 4-2.

I am so proud of the girls, they never gave up and showed lots of enthusiasm and sportsmanship throughout the match, wearing the FCC badge with pride.

I would like to give a massive 'shout-out' to Connor and Oliver, our Year 8 Sports leaders for being amazing linesmen. Also, to Ruby-May from Sixth Form who helps coach the Year 7s girls' team.
