Felpham Community College is an 11-18 local authority, mixed comprehensive with 1600 students on roll and a successful sixth form. In March 2019, our one day, short OFSTED inspection confirmed our OFSTED 'Good' status originally achieved in January 2016. This is an exciting time to join Felpham following the opening of our £11.5M new build programme in late 2019, providing outstanding facilities for our students and staff

We are seeking to appoint a Higher-Level Teaching Assistant to work directly with young people with an Education, Health and Care Plan (EHCP), whose primary area of need is communication and interaction, within the Specialist Support Centre and across the wider, mainstream school.

The successful applicant will promote inclusion across the wider school environment and support students' learning across the curriculum, tailoring support to match learner's needs. You will also deliver targeted interventions to groups of autistic students, within the SSC, support students' access to learning through the effective use of ICT and assistive technology, contribute to assessing students' progress and support them in reviewing their own learning and adapt and customise curriculum materials and support teacher planning.

Please visit our website ([www.felpham.com](http://www.felpham.com)) for more information and an application pack.

Visits to the school are welcomed.

Closing date for applications is: **10.00am Tuesday 30<sup>th</sup> April 2024**

We ask that candidates submit their application to [jobs@felpham.org.uk](mailto:jobs@felpham.org.uk) as soon as possible as some interviews may take place before the closing date
