

## **Summer 2024 Exam Certificates**

Please note the following:

Exam certificates for students (only years 11, 12 & 13) who sat their overall subject qualification examinations in May/June 2024 will be available from 25th November 24 and will be sent home to the address we had for you before you left school unless you are in Felpham Community College's sixth form where you will be asked to come and collect from the Data, Cover & Exams office (opposite the sixth form hub)

If you have moved since July 24 to November 24 please contact us with your new address via our email [exams@felpham.org.uk](mailto:exams@felpham.org.uk) with your new address

Once you have received these please do keep these safe as Universities and employers will ask to see the originals

Replacement certificates are only available from the exam boards so please keep these safe as they cost between £45-£55 per exam board certificate

We are required to destroy certificates after 2 years so if these do come back to us we are required to destroy in November 2026

Mrs Whelan, Data & Exams Manager
